

## League History:

The Lighthouse Ball Hockey League was formed in 2007 with the inaugural season taking place in the Spring of that year. The league has fluctuated between 4 and 6 teams since then and over 150 men have come out to play hockey. The primary purpose of the league is and always has been that of outreach and this is done through a short 5 minute message between the two periods of each game.

“We always have a short message in between periods getting guys the message of the cross when they come to play. We have made many memories and have greatly influenced many lives. Some guys have been around since the beginning and others have come and gone but a seed has been planted in all of them and we are incredibly blessed to run such a great ministry.” -Don Dakin, Founder & Commissioner.

Now:

The league is already in it's 20th season and we have some of the most competitive hockey we have seen being played. Each season consists of 9-10 games per team followed by the playoffs and an all star game. The playoffs winning team from each season has their names engraved on the league trophy, The Lighthouse Cup. Awards are also given out to the leagues top goal scorer, assist leader, and M.V.P. With so many memories made in the past we look forward to many more memories in the future.
